One could take this explanation further by assuming that the design is actively striving to prevent any one event from occurring. My point here is that people have not figured out the effect of this design, and I wouldn't be surprised if there isn't one. After all, the

Kaepernick, a 2011 first round draft pick, is scheduled to make \$13.5 million, according to a source with knowledge of the situation. The source says teammate and fellow starter Alex Smith is making \$10.5 million. The first seven years of the deal were guaranteed, the source says. So the salary cap hit will drop to \$9
